

Getting started

eDocs Portal is a tool provided by Court Services Victoria that allows you to:

- file documents to initiate cases
- file documents against existing case
- pay associated fees (if applicable)
- view previously filed documents.

Please note: References to ‘submission’ on the eDocs Portal, and in related documentation, refers to the process of electronically filing a document through the portal and should not be confused with other definitions related to ‘submission’ in a legal context.

This quick reference guide includes instructions on:

- how to login to the eDocs Portal
- basic navigation
- quick tips.

Quick Tips for using the eDocs Portal

File formats: The portal currently only accepts PDFs.

Documents: Download the forms to lodge, complete them and save them as PDFs. Continue to visit wherever you download, create or source your documents from (such as the MCV, ChCV or VOCAT websites). If you are a member of an organisation using the eDocs portal - you may continue to access the forms from your organisation's document management system.

Case Number: You may also need the court provided case number.

Payment methods: The portal currently only accepts credit cards and debit cards.

Mandatory fields: Are indicated by a red asterisk *.
